

FOCUS ON

HIGH-NET-WORTH DIVORCE

STEARNS & RYAN, LAWYERS

Over the past 30 years, Stearns & Ryan (SR Lawyers) has represented clients at all levels of wealth and with a wide range of needs, amassing significant knowledge and experience across several practice areas. But the lawyers' mission has remained steadfast: to provide each client with ardent advocacy, highly skilled legal services and straight talk.

In high-net-worth divorce cases, the firm's lawyers believe in creating realistic expectations. They conduct in-depth client consultations, thoroughly evaluate each case up front, and provide objective assessments, candidly telling clients what they need to hear. This focused attention and frank communication foster client trust and appreciation.

Partners Ryan Stearns and Michael Ryan are backed by a diverse group of highly trained lawyers and support staff. When

clients hire SR Lawyers, they get the whole team: talented, technologically proficient professionals who are fully versed in current and trending legal developments. This collaboration consistently yields optimal results for the client.
